Info day at University "Mediterannean"

Info Day for students was organized on 25 May 2016, at the Faculty of Information Technology, University "Mediterannean . The presentation was attended by students from all three Universities in Montenegro. During Info Day, students were introduced to purpose and activities of the BAEKTEL project. During practical workshop organized by BAKTEL team members, students were able to learn about the development of open educational resources (OER) at edX platform . Special attention was on increasing awareness and importance of the development of OER , and students had opportunity to discuss the potential ways to motivate teachers and students to create OER.
